WITH CARNIVAL, WEDDING  
PLANNING **IS EASY.**

## THREE THINGS TO KNOW:

1. **HOW BIG?** ..... We've got package options that fit. (pg. 5–11)
2. **WHERE?** ..... Get married on a ship, or an island. (pg. 12–14)
3. **ANYTHING ELSE?** ..... Personalize your day to perfection. (pg. 16–18)

# BEFORE WE BEGIN

**THERE ARE TWO QUESTIONS THAT ALMOST EVERYONE ASKS,  
AND THE ANSWERS ARE SIMPLE:**

**Q. WHERE CAN I GET MARRIED?**

A: We offer the option of getting married aboard the ship before leaving port, holding your ceremony at sea, or while the ship is docked in a particular destination. You can even choose to hold your wedding on land, at a beach on a beautiful island!

**Q. DO ALL MY GUESTS NEED TO CRUISE WITH ME?**

A: No, we offer wedding packages where up to 50 non-sailing guests can attend your wedding aboard the ship before the sailing begins.

## LET'S CUT THE CAKE!

Pardon the pun, but one of the sweetest parts of getting married is the cake... both the taste and the tradition. That's why all Carnival shipboard wedding packages include a classic wedding cake — 3-tiered for all Diamond packages, 2-tiered otherwise to serve up to 20 guests. Most important, the cake is customizable to your taste — choose a flavor for the cake and for the filling.

### CAKE FLAVORS

Choose from Butter / Vanilla, Chocolate, Marble, Lemon, Coconut, Carrot, or Red Velvet. And yes, you can mix!

### CAKE FILLING

Select your filling from Vanilla, Chocolate, Cream Cheese, Strawberry, Lemon, or Coconut.

Just so you know the standard cake is 9-inches in diameter (measured at the bottom tier). On-island cakes are 6-inch, 1-tier cakes. If you need more cake to feed your guests, larger cake sizes can be purchased to make sure all your guests get a slice!

# FREQUENTLY ASKED QUESTIONS

### **How can I book a wedding?**

Just give us a call! Once we've confirmed that space is available on your date and you've booked your cruise, our personal wedding planners can help you find your perfect wedding package. You may contact the Wedding Department at 1-800-933-4968, Monday through Friday 9:00 a.m. to 6:00 p.m. ET. Due to limited space, all wedding reservations are allocated on a first- come, first-serve basis.

### **Can I pay for my Wedding over time?**

Payment is due at the time of booking, and a portion of all wedding packages is a non-refundable deposit to secure your special day. Carnival Weddings can be booked by phone with a credit card.

### **Do I need to cruise to have a Carnival wedding?**

Yes, the wedding couple is required to sail. Fortunately, getting married on Carnival is the perfect way to start a honeymoon! We do welcome both sailing and non-sailing guests in most ports. In ports requiring water shuttles to get to and from the ship, non-sailing guests are not permitted to board the shuttles or ship.

### **What is the maximum number of guests I can have at my wedding?**

There is no maximum number of sailing guests. The maximum number of non-sailing guests attending a wedding is 50. The couple is counted as sailing guests. Additional coordinator fees will apply for every 50 guests attending destination on-island weddings.

### **What is the difference between the types of Carnival weddings?**

An Embarkation Wedding takes place on the ship before your cruise begins, so you can celebrate with family and friends who are not sailing with you. A Wedding At Sea requires that all guests sail with you, since it takes place on the ship, at sea. An Onboard Destination Wedding is offered aboard the ship while it's docked in a particular port. Destination Venue Weddings happen off the ship, either on a beach or a similarly beautiful location.

### **At what time do my wedding guests and I need to be at the port?**

Priority boarding is provided for couples being married the day of embarkation, once the ship is cleared by U.S. Customs. Arrival time for wedding guests is usually 10:00am for most ports. These times are provided with embarkation instructions through our Wedding Department based on the sailing port. You must be at the pier at the time indicated by your Wedding Planner for priority boarding. Please be prompt. Couples getting married later in the cruise will follow general boarding procedures.

### **How long will my wedding ceremony last?**

The ceremony is approximately 15 to 20 minutes.

**What's included in the ship's onboard wedding ceremony set-up?**

Onboard weddings include an aisle runner and two decorative pillars with white silk floral arrangements. We also have additional decorations, like silk rose petals, that we are happy to provide with specific wedding packages.

**What is the deadline to book a wedding?**

You must book your wedding no later than 60 business days prior to sailing. But don't wait that long — all of our services are available on a first-come, first-serve basis, and often sell-out.

**Is the cruise price included in the wedding package?**

No. The cost of the wedding package and related services does not include cruise fare. Your cruise must be purchased separately.

**Will my ceremony be performed by the ship's captain?**

All wedding ceremonies are performed by a local officiant, except in the case of the symbolic at sea weddings, where the captain or another senior officer will preside. Some ports allow symbolic ceremonies only, while the laws in other ports prevent us from being able to offer legal or symbolic ceremonies.

**How do you determine which room my wedding will be in?**

Wedding lounges are assigned based on the number of guests attending the wedding, plus which reception options you've selected.

**What time does the weddings start?**

In most ports, weddings start at approximately 12:30 p.m.

**Do I need to have a reception with my wedding ceremony?**

How you celebrate your big day is up to you, and we know you want to make it memorable for your guests. We can accommodate almost any budget with options for hors d'oeuvres and beverages. If you select a package without a reception, a short champagne toast will be held to end your ceremony.

**Which time of the year is the least expensive to have a wedding?**

Wedding prices don't change seasonally but are subject to change at any point based on capacity and demand. Some vendor holiday fees may apply.

**Do you perform same sex marriages?**

Absolutely! Note, however, that certain ports we sail to do not recognize the legality of same-sex wedding ceremonies. In those ports we can only provide symbolic ceremonies for same-sex couples. The laws at some ports prevent us from being able to offer a symbolic or a legal service. Please contact our wedding department for more information on which ports have restrictions.

**Can I get married while at sea?**

Yes! We now offer the option of Wedding At Sea. These are symbolic ceremonies — they're not legally binding. Offer available on select ships and dates. Call to inquire about availability. Couples are required to provide a proof of legal marriage, prior to sailing.

# WHAT YOU NEED TO KNOW

**PAYMENT:** Only valid credit cards are accepted. Sorry, no personal checks or passenger gift cards accepted.

**PRE-CRUISE TRAVEL ARRANGEMENTS:** We strongly recommend couples and their guests arrive at the homeport city least one day prior to sailing, in order to avoid late flights, traffic, etc. on their wedding day. This is not a requirement — only a suggestion. Since we want this day to be as stress-free as possible, we will work diligently to provide early boarding to our wedding couples and their guests.

Please note that Carnival’s transfer service will NOT get you there early enough for your wedding. These transfers are for regular boarding. Please make alternate arrangements for prompt transportation to the pier.

**PRIORITY CHECK-IN:** Priority boarding is provided for couples getting married on the day of embarkation. However, the ship must first be inspected and “cleared” by U.S. Customs before anyone may board. Please arrive promptly and pay special attention to your boarding information to ensure you are at the pier in time for priority boarding. You and your guests, both sailing and non-sailing, must arrive together in order for them to be allowed priority boarding. All visitors must present a printed boarding pass, and photo identification upon arrival. Couples who are getting married later in the cruise, not at the beginning, will follow general boarding procedures.

Proper travel documentation is required at embarkation and throughout the cruise. Even if a guest has completed registration using Carnival’s online check-in, it is still the responsibility of the traveler to bring all required identification and travel documents.

Please refer to Information about travel documentation on [carnival.com](http://carnival.com).

You are responsible for determining whether a wedding performed in a foreign jurisdiction will be recognized in your home jurisdiction. Marriage license application, and Marriage license fees are paid directly to the vendor within 35 business days of booking the wedding package, and are non-refundable.

When you book your wedding package, a Carnival wedding planner will include further information on obtaining your marriage license.

**LET'S TALK MORE ABOUT YOUR WEDDING CEREMONY.** After all, you have been dreaming of this day for some time. Carnival Weddings provides legally binding wedding services in accordance with the laws that govern the port in which the vows are being exchanged. We'll talk more about your legal wedding under licensing requirements. Civil ceremonies are performed in English by a notary public. Ceremonies in the ports of St. Thomas, Galveston, New Orleans, California, Barbados, Nassau, Half Moon Cay, Freeport, Grand Turk, Jamaica, San Juan and Grand Cayman are non-denominational and performed by a minister. Weddings in Cozumel are performed by a Judge, in Spanish and translated to English. Our shipboard weddings will include an aisle runner and silk floral arrangements in a private lounge. On-island ceremony setups may vary depending on location; couples are encouraged to enhance their ceremony venues with additional decor available for purchase through our vendors.

All ceremonies are performed in port before the ship sails. Locations are determined based on the number of guests attending, length of reception and options selected. Ceremony times and locations are confirmed within two weeks of sailing. We try our best to stick to a tight schedule, however delays or changes due to unforeseen events can happen. For weddings scheduled during the cruise, it is not recommended that you and your guests plan shore excursions on the same day as your wedding.

**CHANGES IN ITINERARY, CANCELLATIONS OR DELAYS BY CARNIVAL:** Carnival has the right, without previous notice, to cancel, reschedule or delay performance of the wedding agreement at the port of embarkation or any time during the cruise for any reason whatsoever, including but not limited to (i) charter of the vessel, (ii) the ship's Master exercising their discretion, for any purpose, to deviate in any direction or for any purpose from the direct or usual course, and to omit or change any or all ports of call; arrival or departure times, with or without notice for any reason whatsoever, all such deviations being considered as forming part of and included in the proposed voyage, or (iii) any reason beyond Carnival's reasonable control; without prior notice, and shall not be held liable for damages, compensation and any inconveniences caused to our guests by reason of such cancellation or rescheduling.
